

The image features a collection of colorful geometric solids on the left side, including a blue cube, a red cube, a green cone, a yellow cylinder, a blue cylinder, a red sphere, and a yellow hemisphere. On the right side, there is a wireframe sphere composed of many thin, intersecting lines. The entire scene is set against a dark, semi-transparent background. A white double-line border frames the central text.

Geometrijska telesa

Telesa zavzemajo prostor.

Imajo tri dimenzije, in sicer dolžino, širino in višino (3D).

MEJNE PLOSKVE

Geometrijska telesa so omejena
s **ploskvami**, ki so **ravne** ali **ukrivljene**.
Te ploskve imenujemo **mejne ploskve**.

ROBOVI IN OGLIŠČA

Kjer se stikata dve ploskvi, je rob.
Geometrijska telesa imajo ravne
ali **krive robove**.

Robovi se stikajo v **ogliščih**.

OGLATA TELESA so omejena s samimi ravnimi ploskvami.

Oglata telesa

kocka

12 robov, 8 oglišč,
6 mejnih ploskev

kvader

12 robov, 8 oglišč,
6 mejnih ploskev

piramida

8 robov, 5 oglišč,
5 mejnih ploskev

OKROGLA TELESA imajo vsaj eno ukrivljeno ploskev.

Okrogla telesa

valj

2 roba, 0 oglišč,
3 mejne ploskve

krogla

0 robov, 0 oglišč,
1 mejna ploskev

stožec

1 rob, 0 oglišč,
2 mejni ploskvi
