

## THE MUSEUM OF TRANSPORT

Amazing – neverjeten

Inside – znotraj

... doesn't go on the roads very often – ne vidimo ga pogosto na cestah

... difficult to drive – težko ga je voziti

... one at the front and one at the back – enega spredaj in enega zadaj

They use this car in film or for special parties – ta avto uporabljajo v filmih ali na posebnih zabavah

Would you like to go for a drive ... – Ali bi se rad peljal z njim?
