

TOYS

Pozdravljeni drugošolci!

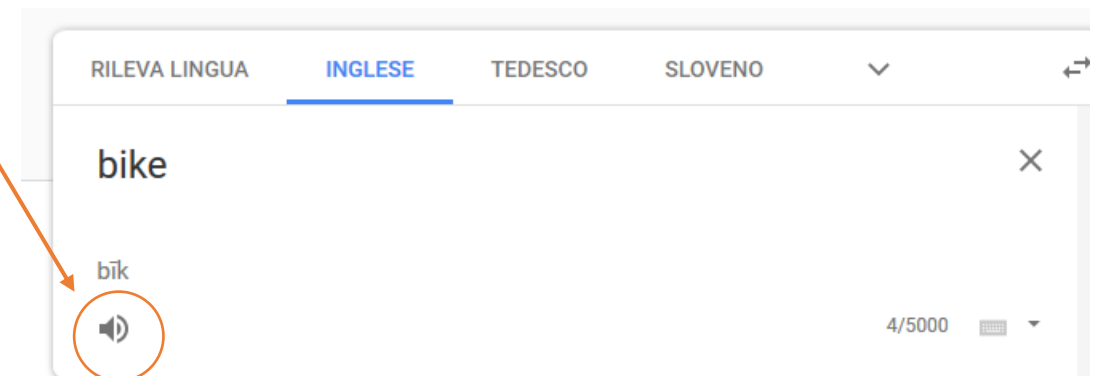

V današnji uri se bomo naučili poimenovanja za naslednje igrače: ball (žoga), drum (boben), car (avto), doll (punčka), robot (robot) in bike (kolo). **Katera je tvoja najljubša igrača?**

Rešite naslednje tri naloge. Pri tem je najpomembneje, da čim večkrat izgovorite ciljno besedo. Če niste prepričani glede pravilne izgovorjave, vam „Google translate“ besedo izgovori, če jo vpišete vanj ter stisnete zvočnik.

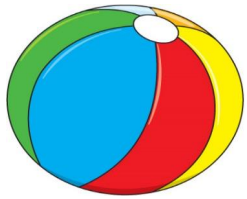

Če imate vprašanja, sem vam na voljo.

Vaša učiteljica angleščine,

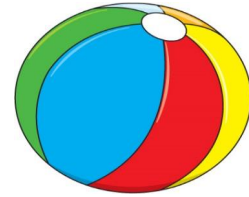

Ena Bissachi
