### NALOGA 8A:

Po smislu, recimo:

Dr. X kidnapped Justin and took him to another planet. There, she wanted to do experiments on Justin and Chelsea. She put them in a prison cell and Justin and Chelsea had to wait there until she finished with the experiments. She wanted

to inject the chip into Justin and Chelsea's bodies. Doctor X got the computer microchip from an evil man on Planet Earth. She wanted to rule the world and control all of the people via this chip.
