

WHAT IS HE/SHE WEARING?
(KAJ IMA ON/ONA OBLEČENO?)

Ker smo do sedaj spoznali že veliko besed za različna oblačila, je prav, da se še naučimo, **kako v celih povedih opisati, kaj ima kdo oblečeno.**

to wear – nositi/imeti oblečeno

V celih povedih pa moramo še tej besedi **dodati končnico – ing**. Poglejmo si primer:

*Olivia nosi/ima oblečen rdeč pulover. Olivia **is wearing** a red sweater. (TRDILNA PAVED)*

Namesto imena Olivia bi lahko uporabili besedo "she" (ona):

She is wearing a red sweater. ALI **She's wearing** a red sweater. (zapisano na krajši način)

Za **she** (ona), **he** (on) in **it** (ono, tisto, nekaj) rabimo besedico **is + wear + ing**.

Primer:

***He is wearing** a red sweater. **She is wearing** a red sweater. **It is wearing** a red sweater.*

Če **želimo opisati sebe**, kaj imamo sami oblečeno rabimo besedo **I** (jaz) + **am + wear + ing**.

Primer:

***I am wearing** a red sweater. (TRDILNA PAVED)*

Če želimo opisati tebe (**you**), nas (**we**) in njih (**they**) pa rabimo: **you/we/they + are + wear + ing.**

Primer:

You are wearing a red sweater.

We are wearing red sweaters. (TRDILNE POVEDI)

They are wearing red sweaters.

KAKO TVORIMO VPRAŠALNE POVEDI IN KRATKE ODGOVORE?

Enostavno 😊. Na začetek povedi "prestavimo" **am/is/are**, vse ostalo prepišemo.

Primeri:

I **am** wearing a red sweater. (trdilna poved)

Am I wearing a red sweater? (vprašalna poved)

Yes, I **am**. (kratek pritrdilen odgovor) **No**, I'm **not**. (kratek nikalen odgovor)

He/she/it **is** wearing a red sweater. (trdilna poved)

Is he/she/it wearing a red sweater? (vprašalna poved)

Yes, he/she/it **is**. (kratek pritrdilen odgovor). **No**, he/she/it **isn't**. (kraten nikalen odgovor)

You/we/they **are** wearing red sweaters. (trdilna poved)

Are you/we/they wearing red sweaters? (vprašalna poved)

Yes, you/we/they are. (kratek pritrdilen odgovor) **No, you/we/they aren't.**
(kratek nikalen odgovor)
